

## *Class and Show Schedule*

The following is a schedule of our Monday-Saturday Classes, arranged by class name in alphabetical order, and their respective show and production week schedule. To read this schedule and to understand your child's production week schedule of events, first find their class and start time. Then read across the table to identify his/her staging and dress rehearsal schedule. Please note that the advanced ballet, primary ballet, tap and the 80s production have also been assigned a staging call time. The productions will be staged on Monday evening. *Please note, that we have made every attempt to keep combo classes scheduled for one show. However, with the volume of production routines scheduled for show time, some students will be asked to perform in both shows.*

As noted in the Production Week Expectations page, staging reh'l simply calls for students to be prepared for reh'l in their regular dance attire. Full dress reh'l requires all dancers to be prepared in full make-up, hair and costume.

Please email me directly with any production week concerns and/or absences as attendance is mandatory! My email address is [nsavage@savagedance.net](mailto:nsavage@savagedance.net).
