

## How To Register For Our 2012 Season

- Step 1) Download our Fall 2012–2013 Schedule from our website.
- Step 2) Review the schedule and select your classes of interest. If you are having difficulty leveling your child, please do not hesitate to contact your dancer's instructor or our office staff. You may email us at administrator @savagedance.net with any and all of your registration questions.
- Step 3) Download and complete the 2012–2013 Fall Registration Form.
- Step 4) Calculate your tuition total and submit payment or Credit Card authorization form as noted inside your POPYMENT PLAN box.
- Step 5) Submit your registration and tuition to our office staff. You may either stop by SDC and visit us at the front lobby or drop your registration and payment in the mail. Our studio address is:  
102 Competitive Goals Drive  
Eldersburg, MD 21784
- Step 6) Please await an email confirmation from our office staff noting receipt of your registration and the date and time of receipt. Please note that early registration yields a low registration number. Dancer registration numbers are used in time receipt order for our end of the year ticket purchase.
